SOCIAL

Responsibility

“We believe that The Gift Label has the power to change lives. Our brand essence is Giving and giving back.”

Every day, we develop our products more and **more sustainably**. It's a long way to a better future. Step by step we find solutions that contribute to a better world for you, for us and for our planet.

Throughout the years we have **improved** the jar of our salt scrub, replaced virgin plastic with **100% recycled plastic** and eliminated PEG from our hand soap.

We **participated** in different projects, such as the Plastic Brick Project and Stichting Noordje. Additionally, we **donated part of our stock** to Lesbos with Because We Carry in cooperation with YourSurprise.

Do you want to know more? Please visit our website and have a look at our **Corporate Social Responsibility report**.

LET'S ROCK AND CONTINUE DOING OUR BEST.
